

# FRANK FAMILY VINEYARDS

## 2022 Leslie Rosé

### TASTING NOTES

A delicate coral pink in the glass, this wine opens with alluring aromas of orange blossom, rose petal, and guava. White peach and citrus flavors abound on the palate, leading to a core of wild strawberry. There's a beautiful depth and elegance to this wine, accompanied by freshness and energy. It finishes with bright acidity that lingers on the palate.

### WINEMAKER NOTES

Crafted from 100% Pinot Noir grapes sourced from Napa's Carneros region. The climate in Carneros creates optimal growing conditions for Pinot and thus produces incredible rosés. The 2022 vintage is well balanced with bright acidity allowing the flavors of the region to shine through.

### SOURCING

The Leslie Rosé is sourced exclusively from parcels of the best vineyards in Napa's acclaimed Carneros region, including the winery's own Lewis Vineyard located along the shores of the San Pablo Bay. The cooling influences of the bay as well as the nearby Pacific Ocean allow for delicate maturation of the grapes and retention of bright flavors. This wine was crafted with Pinot Noir grapes that were grown specifically to showcase the attributes we desire most in rosé – fresh aromatics, vibrant flavors, and natural acidity.
