FRANK FAMILY VINEYARDS

Want to visit one of Marilyn Monroe's favorite stops in Calistoga?

The tasting rooms of Frank Family Vineyards, at the former site of the Larkmead winery, are a gem. Co-owned by Rich Frank, the former president of Disney, this is one of the larger "boutique" tasting rooms, but with one of the friendliest staffs around. Ask for Dennis, a jovial and knowledgeable tasting-room manager, who'll lead you through their sparkling wines, incredible chardonnay, excellent Sangiovese and three cabernets.

Relax at one of the blissful picnic tables, or ask for a tour of their methode champagnoise process. Filled with history and character, Frank Family Vineyards is a must-see in Calistoga.
