

**93** **2007 Frank Family Vineyards**  
**Points** **Napa Valley Cabernet Sauvignon**

The dense dark plum/purple-tinged 2007 Cabernet Sauvignon Napa is composed of 89% Cabernet Sauvignon, 9% Merlot and 2% Petit Verdot. The fragrant bouquet of blueberries and flowers is followed by admirable complexity, sweet tannins, a medium to full-bodied, graceful mouthfeel and no hard edges. - *Robert Parker*

**95** **2007 Frank Family Vineyards**  
**Points** **Rutherford Reserve Cabernet Sauvignon**

The 2007 Cabernet Sauvignon Reserve reveals a more opaque blue/purple color in addition to gorgeous aromas of spring flowers, blueberries, boysenberries, and hints of licorice and background oak. It cuts a broader, richer, full-bodied swath across the palate with no hard edges. Full and layered, this seamless beauty is further evidence of just how great as well as consistent the 2007 vintage is for this varietal in Napa Valley. - *Robert Parker*

**95+** **2007 Frank Family Vineyards**  
**Points** **Winston Hill Proprietary Red**

The most expensive offering is the 2007 Winston Hill Proprietary Red. Dominated by Cabernet Sauvignon (86%) blended with Petit Verdot, Merlot and Cabernet Franc, production is just under 1,000 cases. The wine is more tightly wound than the Cabernets exhibiting a deep ruby/purple color and a restrained nose that is difficult to coax out of the glass. In the mouth, it reveals sweetness, full-bodied power, beautiful elegance and a sense of graciousness and restraint as well as plenty of flavor, intensity, power and full-bodied appeal. - *Robert Parker*
