

SUMMER SIPPING

> For those seeking the perfect picnic accompaniment or go-to glass this summer, Frank Family Vineyards released its new **2021 Leslie Rosé**. Crafted with Pinot Noir grapes and full of fresh aromatics and vibrant flavors, it's perfect for sipping at a backyard soirée, under the stars at a Pasadena POPS concert, or simply at home. The name pays homage to Leslie Frank, the woman behind the winery's marketing and branding initiatives and the curation of one of the most welcoming hospitality experiences in Napa Valley. She also coordinates the Frank family's charitable giving initiative, Frank for a Cause, which has raised over \$100,000. \$50/bottle; frankfamilyvineyards.com —s.s.
