

FRANK FAMILY VINEYARDS

2022 CARNEROS PINOT NOIR

TASTING NOTES

Lively, focused and well-balanced, this wine lifts tangy raspberries and juicy black cherries with bright acidity and a light touch of tannin. Cardamon, clove, and black pepper nuances add beautiful complexity for an elegant finish.

WINEMAKER NOTES

This is a Carneros Pinot Noir through and through. In California, we are blessed with an abundance of sunshine, and we farm with that in mind. While respecting the heritage and craft of Burgundian winemaking, our Pinot Noir is made to showcase the character of this beautiful fruit and its terroir at their very best.

SOURCING

Beckstoffer Vineyards in Napa-Carneros and Sangiacomo Vineyards located in Sonoma-Carneros provide the basis for this wine, with fruit from Frank Family's estate Lewis Vineyard to round out the blend.
