## Frank Family Vineyards Winston Hill

2014 NAPA VALLEY

“A blend of 85% Cabernet Sauvignon and the rest equal parts Merlot, Cabernet Franc and Petite Verdot. This vineyard can actually be seen adjacent to the Silverado Trail. A glorious example of Cabernet Sauvignon, the wine has a dense purple color, seamless integration of acidity, alcohol and tannin, remarkable levels of blackcurrant and black cherry fruit, judiciously integrated oak, and a voluptuous texture and long finish of close to 50 seconds. This stunner is totally in harmony and can be drunk now or cellared for another 20-25 years.”

– Robert M. Parker, Jr. Wine Advocate
