

2020 Leslie Rosé

Carneros

TASTING NOTES

From its beautiful rose gold hue to its refreshing acidity and lavish layers of strawberry, white peach, and orange blossom, this wine offers a brilliant expression of Carneros rosé that is the perfect package of pure quenchability. It's a wine that is both serious yet whimsical – and that's its charm.

WINEMAKER NOTES

Pinot Noir is one of my favorite grapes to work with. It's not exactly easy to grow and it can be challenging to make, which is part of its appeal for me as a winemaker. The grape grows so beautifully in Napa's Carneros region which is why it comes as no surprise that Carneros Pinot Noir is capable of also producing gorgeous rosés, demonstrated by our newest bottling.

SOURCING

The Leslie Rosé is sourced exclusively from parcels of the best vineyards in Napa's acclaimed Carneros region, including our family-owned Lewis Vineyard located along the shores of the San Pablo Bay. The cooling influences of the Bay as well as the nearby Pacific Ocean allow for delicate maturation of the grapes and retention of bright flavors. This wine was crafted with Pinot Noir grapes that were grown specifically to showcase the attributes we desire most in rosé – fresh aromatics, vibrant flavors, and natural acidity.
