

# 2019 Napa Valley Zinfandel

## TASTING NOTES

This beautifully balanced and deeply concentrated Zinfandel boasts elegant, complex layers of crushed clove, fresh blackberry, and creamy mocha on the nose. A velvety texture of fine-grained tannins provides structural weight to the ripe fruit flavors of plum compote as well as violet, thyme, and black pepper.

## WINEMAKER NOTES

Frank Family is passionate about California's heritage grape, Zinfandel. A notorious uneven ripener, it is difficult to grow in certain years, but 2019 brought generous sun and a long growing season which provided our grapes ideal conditions to ripen fully.

## SOURCING

This Napa Valley-designate wine is cultivated from our estate vineyards in Capell Valley and Rutherford and from neighboring vineyards in St. Helena and Calistoga.

## AGING

16 months in 33% new French oak barrels, and 67% once and twice-filled French oak barrels.
