

FRANK FAMILY VINEYARDS

2019 Napa Valley Zinfandel

TASTING NOTES

This beautifully balanced and deeply concentrated Zinfandel boasts elegant, complex layers of crushed clove, fresh blackberry, and creamy mocha on the nose. A velvety texture of fine-grained tannins provides structural weight to the ripe fruit flavors of plum compote as well as violet, thyme, and black pepper.

WINEMAKER NOTES

Frank Family is passionate about California's heritage grape, Zinfandel. A notorious uneven ripener, it is difficult to grow in certain years, but 2019 brought generous sun and a long growing season which provided our grapes ideal conditions to ripen fully.

SOURCING

This Napa Valley-designate wine is cultivated from our estate vineyards in Capell Valley and Rutherford and from neighboring vineyards in St. Helena and Calistoga.
